Our Featured Speaker

Dr. Robert E. Jackson, Jr. is a family doctor from Spartanburg, SC. He has been on the frontlines of the prolife movement for 35 years and has organized rallies, co-founded the Carolina Pregnancy Center, debated legislators and physicians, and delivered a prolife message on hundreds of occasions. Recently, he was the featured guest of Dr. James Dobson on *Family Talk*.

Dr. Jackson is the author of "The Family Doctor Speaks: The Truth About Life." During his time as a physician and because of his involvement with social/political issues, he has received a myriad of awards from his home state of South Carolina and from various organizations. Dr. Jackson is married to the lovely Carlotta. Together they have nine beautiful children who all passionately love the Lord. Visit him and his family at JacksonFamilyMinistry.com and follow him on Facebook @DrRobertJacksonJr
